Principal Glandorf's Corner

Dear Families & Friends,

This past Sunday I was blessed to experience my first Grandparents' Day at Zion. Wow – what a great event! It is so encouraging to see the support these wonderful family members give our ministry. I also want to publically thank the PTL officers for the planning and all of their efforts in making that day so successful.

As we are well into a new school year, our PTL officers want to be proactive and make the school come alive for all parents of Zion students. With that said, they are planning to start a program whereby parents will be invited to the school throughout the school year to learn about the “nuts and bolts” of our school. In conjunction with our faculty and staff, these ladies will host evenings when I, along with one or two faculty members will be in attendance to share information (411) about Zion's daily activities. It will be a time of sharing and getting to know one another as we continue to build our relationships with one another.

We plan to call these events our “411” meetings. The first night is scheduled to take place next Thursday, October 8th beginning at 7:00 p.m. On that evening, faculty members will lead us in a Smartboard demonstration. You will be amazed how this new technology works and how it makes the classroom come alive! I encourage you all to join us as we launch this new program.

Please call or email the school office if you plan to attend. We want to be as transparent as possible as we serve our Lord and your children at Zion Lutheran Church & School.

Make it a great day with the Lord!

Educating for Eternity,

Steve Glandorf
Principal

Zion Lutheran Church & School
“Adopt a Student”
Tuition Assistance Program

Zion Lutheran Church & School has a long history of providing quality Christian education to the young people of Williamson County. Our school is blessed with outstanding educators who have a passion for nurturing, guiding and equipping the youth of today. The faculty and staff of Zion have a common goal of building Christian leaders and “Champions for Christ.”

Providing a safe, caring and loving Christian environment for students today is very important to many in our community. Some families face financial challenges these days and it is becoming more and more difficult for them to afford the tuition at our school.

With that said, the school’s administration would like to create a program whereby members of Zion Lutheran Church & School and members of the community be given the opportunity to sponsor or “Adopt a Student” who is in need of financial assistance. Interested parties will have the chance to provide tuition assistance to designated students or they may wish to donate funds to the tuition assistance program which will help non designated students.

Please contact the school office at 512.863.5345 if you are interested in supporting this vital program.
