Principal Glandorf's Corner

Dear Families & Friends,

A few weeks ago I mentioned we have started a program whereby every week, six students are named "Student of the Week" and "Champion for Christ." I am currently working with the middle school students in helping them realize and appreciate that in order to become a true leader they must become a "Champion for Christ."

I firmly believe that God has given all of our students' incredible talents and abilities. The opportunity we have as educators and parents is to help our children realize these gifts and become strong Christian leaders in our community and world.

The sixth, seventh and eighth grade students at Zion are currently going through a unit entitled, "The 7 Building Blocks in becoming a Champion for Christ." These building blocks include:

- 1) Think the Right Kind of Thoughts
- 2) Say the Right Kind of Words
- 3) Set Specific Goals
- 4) Take Responsibility for Your Actions
- 5) Choose the Right Kind of Friends
- 6) Remember that Character Counts
- 7) Live by Faith in Jesus Christ

I'm spending time with each class going into depth talking about and discussing each of the above topics. If you have a middle school student this year, I encourage you to ask them about what they are learning in the Champions unit. It is so rewarding to see these young people understand and appreciate that they all have the ability to become a true leader and "Champion for Christ."

Blessings to you all!

Educating for Eternity,

Steve Glandorf

Principal
