Principal Glandorf's Corner

Dear Families & Friends,

This past weekend the Lord richly blessed Zion Lutheran Church and School with another successful Wurstbraten celebration. It was my first experience and I am so thankful and encouraged to see how all people who were involved came together to make it such a wonderful event. God is working powerfully through the ministry of our church and school!

By reaching out and serving others in our community, we are blessing the world around us and because of that; I truly believe God will continue to shower His blessings upon us. Thanks to all school families who participated and supported this amazing fundraiser!

God's blessings to you all as we enjoy the cool November weather!

Educating for Eternity,

Steve Glandorf

Principal

ZION is participating in the American Diabetes Association's School Walk for Diabetes, an education school-fund raiser that supports programs aimed at curing and preventing diabetes, and improving the lives of all those affected by diabetes. School Walk for Diabetes also teaches students about diabetes and the importance of healthy eating and regular physical activity. Today more than 20.8 million children and adults in the U.S. have diabetes. Diabetes is a condition where the body either does not make enough insulin or can't use the insulin it does make. Zion's walk is scheduled for Wednesday, November 11 during P.E. classes. Family members are invited to join the walk.
