Principal Glandorf’s Corner

Dear Families & Friends,

One of the incredible blessings the students at Zion enjoy each year is the opportunity to participate in activities whereby they can use their God-given talents and abilities. The past several weeks, the fifth through eighth grade students have been preparing for the Fall Musical entitled, “Another Day at Hilltop High.”

Under the direction and guidance of Mrs. Brown, these young people are learning the importance of preparation and working together as a team. Many of them may also be realizing a talent they didn’t recognize they had at this point in their lives. The production will take place this coming Sunday, November 15th after the second service. I encourage you all to attend and support our young people and their efforts.

Also, this week we are in the midst of our annual Book Fair. Our theme this year is “Destination Book Fair – Read Around the World.” I want to thank kindergarten parent, Melissa Rinn for taking the lead this year in preparing this wonderful event. She, along with many other moms, were instrumental in transforming the Fellowship Hall into a room filled with fun and exciting books to read.

And finally, yesterday, during PE classes, Zion participated in the American Diabetes Association’s School Walk for Diabetes. This program taught our students about diabetes and the importance of healthy eating and regular physical exercise. Let us all thank Mrs. Sullivan for her efforts in organizing this educational and worthy event.

Blessings to you all!

Educating for Eternity,

Steve Glandorf
Principal

ZION is participating in the American Diabetes Association's School Walk for Diabetes, an education school-fund raiser that supports programs aimed at curing and preventing diabetes, and improving the lives of all those affected by diabetes. School Walk for Diabetes also teaches students about diabetes and the importance of healthy eating and regular physical activity. Today more than 20.8 million children and adults in the U.S. have diabetes. Diabetes is a condition where the body either does not make enough insulin or can't use the insulin it does make. Return your donations to the school by Wednesday, December 9.

Fall Musical—Stay after church on Sunday, November 15 and enjoy a meal and a play (Another Day at Hilltop High)! The play is being presented by the 5th-8th grade students. The meal is a fundraiser for the 8th graders that are going to Washington DC. We will be serving beginning at 11:00a.m. The meal will consist of hamburgers with all the fixings, chips, drinks, and a float for dessert. The cost of a plate will be \$7.00 for adults and \$5.00 for children 12 and under. You will pay at the door. There will be a silent auction. If you wish, please bring your donations to the school office.

Many thanks to the students and families of Zion Lutheran School for your food drive for The Caring Place during your Fall Festival. The 284 pounds of canned goods you collected will help fill the food pantry shelves so that we can continue to meet the increased demand for assistance. Your support for our mission is greatly appreciated.
